

# Mission Bay South Block 9

Community Outreach Notice, January 25, 2021

Dear Mission Bay Neighbors,

At 5PM on Wednesday, January 27th, we will host our second Mission Bay community virtual meeting. The virtual meeting will provide an opportunity to learn more about permanent supportive housing in San Francisco and to hear about the advocacy and policy efforts happening in addition to our development work. Invitations and an agenda will be sent to everyone receiving this notice. As per our last notice, the deadline to submit questions to be answered live in the meeting has passed, but please feel free to email any additional questions to [MBBlock9@chp-sf.org](mailto:MBBlock9@chp-sf.org) and we will provide answers in the days following the meeting and post them along with the meeting presentation to <https://chp-sf.org/missionbay/>. On this page you can also read our previous community outreach notices and learn more information about the project.
